## 2023 WAIHONGA

### WAIHONGA

In Te Reo Maori translates to nectar.  
The 2022 Waihonga is a tiny batch and really wild wine.

### FRUIT

The Pinot Gris for this wine comes from friends at On Giants Shoulders vineyard. A touch of Riesling has been added for balance, hailing from Grava vineyard.

### WINEMAKING

100% destemmed, fermented on skins for 26 days. Every second day the cap of the ferment was plunged under the fermenting juice. Natural fermentation, full malolactic, unfiltered, unfined, with 50ppm SO2 added.

### NOSE & PALATE

This wine boasts a honey-hued color and aromas of nectarines, baked spices, and tangelo skin. It offers concentrated flavors with refined, long tannins—fruity yet profound, reminiscent of Golden Queen peaches.

### ENJOY

Slightly chilled.
